

Oakwood Community Pre-School Newsletter 23rd October 2020

Dear Parent/Carers,

AGM

Thank you to the parents who joined us at our very successful AGM on Monday (via video link). It's not too late to get involved if you'd still like to - our next meeting (via Teams online) will be at 8pm on Monday 16th November. Full details will be sent home nearer the time.

'DUMMY FAIRY'

It is so great to hear that some children have given their dummies to the Dummy Fairies; they will have received their letter of thanks from Dan and Daisy!

TOILETING

Please find attached 'Eric's Guide to Children's Bowel Problems'; this is designed to provide information and help any children who are having difficulty with their toileting.

CHILDREN IN NEED

We will be supporting 'Pudsey Day' on **Friday 13th November 2020** – Caroline will be at the door to collect donations which will go directly to the Children in Need appeal.

Children are very welcome to come dressed in their PJ's, Onesie's or Pudsey clothes (optional).

Thank you for your support.

HANDYMAN/WOMAN

We are looking for a willing volunteer to give our outside lending library some TLC! It is out in all weathers and now looking a little sad... If you are able to help, we would love to hear from you – please see the attached photo for details. Thank you.

HALF TERM

We hope you all have a fabulous half term next week and look forward to seeing everyone back on Monday 2nd November!
