COVID UPDATE

Thank you to all our families for helping to keep everyone safe by socially distancing during drop-off and pick-up times. The children are all now very used to having their hands sanitised as they come arrive and are being very good with our new Covid routines.

We hope to welcome more of our children back with us once the pandemic infection rates decrease.

PRE-SCHOOL COMMITTEE

As you are probably aware, we are a committee run community pre-school and as such, hold regular committee meetings to which all our families are warmly invited. Our next virtual meeting is at 8pm on Tuesday 16th March 2021; we will email all our parents an invitation nearer the time and really hope you will be able to join us.

PLANNING SENT HOME

For children not attending pre-school at the moment, planning either has or will be sent home within the next week with ideas of things you can do with them at home. Please don't feel you have to follow these plans if your child is reluctant, but hopefully they will help if you are running out of things to do.

SPRING TERM FEES

Our Committee have agreed that whilst schools are closed during this term, we will not be asking parents to pay for chargeable sessions children miss due to the Covid-19 pandemic.

If this affects your child, please note that any monies already paid against this terms invoice will be held on their account and all balances will be adjusted accordingly towards the end of term. We will then contact all fee paying parents to confirm amended balances and payments due where applicable.

If your child is attending pre-school as usual, please continue to make payments as normal.

Please note that this covers the Spring term only and will be reviewed by the Committee as necessary.
